# 3RD GRADE SWIM

**FREE Swim Lessons for 3rd Graders**  
**GREATER SCRANTON YMCA**

It has been determined that each year after 3rd grade, the fear of water increases and the ability to learn to swim decreases. As part of an effort to keep all children safe in and around the water, the Greater Scranton YMCA is proud to offer all 3rd Graders in our service area with one FREE session of swim lessons!. Our 3rd Grade Swim is proudly sponsored by Peoples Security Bank & Trust!

## HOW TO ENROLL

- If your child does not swim at all, please enroll in our Beginner Level.
- If the child already swims, please come for a FREE level evaluation so that we can let you know the ability level to enroll your 3rd Grader in
- Please bring something that shows that your child is currently in 3rd Grade (report card, etc)
