

Are you worried about a fellow Spartan?

Our SAP team is a non-disciplinary group that is here to provide supports to students who are struggling to overcome life's barriers.

If you know a fellow classmate who:

- Has become withdrawn from family & friends
- Has unexplained physical injuries
- Talks about suicide
- Is depressed
- Acts aggressively & lashes out
- Needs money without an explanation
- Demonstrates a sudden drop in grades
- Is experimenting with drugs & alcohol

Refer him/her to our SAP TEAM for help.

E-mail us a referral at ES.SAP@MVSD.US
